From the Editor

Because there was nothing going on in March, thanks to the virus, there is nothing to put into the April Newsletter. (Except for Paul's article, of course, he never misses.)

So this gives me the opportunity to bore you to tears with By-Law changes. Starting on page 8 you will find a two column spread showing the new By-Laws (on the left of the page) and the current By-Laws (on the right of the page.) This is the best way I could find to make it easy to compare the two versions.

I tried to make the By-Laws fit the way the club operates today rather than to try to change the club to fit the By-Laws.

Although there are minor changes to clumsy wording or spelling throughout, the bulk of the changes are to the "Meetings" paragraph.

Your job, should you care enough to do so, is to compare the new to the old so you are prepared to vote to accept or reject the changes at the next meeting, whenever that is.

If this lock down continues past April I will start delving into the depths of the Internet to see what interesting Corvette related articles I can find to pass on.

The CCT Sunday Supper Club will meet on May 3, 2020 at 5:30 pm at:

Bubba's Cooks Country

4585 Preston Road

Frisco, TX 75034

(214) 436-4455

<https://bubbasfrisco.com>

<https://www.zmenu.com/bubbas-cooks-country-frisco-online-menu/>

Continuing our theme of historic restaurants, we will visit Bubba's Cooks Country at the newest location in Frisco.

Mary Beth and Paul (you may know him as "Bubba") Vinyard opened Bubba's in 1981 in a 1929 Texaco Service near SMU. They brought the food they love from West Texas, in Abilene. The original place is still open.

After 38 years, Bubba's Cooks Country opened its second location in Frisco, TX. Bubba's Cooks Country serves home-style country cooking, such as fried chicken, chicken-fried steak, mashed potatoes and green beans in a casual setting, and features a drive-thru. They start with the freshest chicken – never frozen – and add simple seasonings to enhance the natural flavors.

The restaurant does not take reservations. Mike Garrison has graciously offered to help secure an area where we can sit together.

More info: The Vinyard family opened Babe's Chicken Dinner House in 1993 and there are now ten locations across the DFW Metroplex, including Roanoke, Garland, Sanger, Carrollton, Burleson, Granbury, Frisco, Cedar Hill, Arlington and North Richland Hills. The family's steak house, Sweetie Pie's Ribeyes, opened in Decatur in 2006.

Haltom City Carfest 2020

Once again, CCT will participate in the Haltom City Carfest 2020 event on April 4th. I will plan to arrive at the Haltom City High School parking lot around 9:30 a.m. on Saturday, April 4th. The show is from 10:00 a.m. to 2:00 p.m. (There is a rain date for Sunday, April 5th, if we have bad weather.)

I am looking forward to getting my Corvette cleaned up and waxed. I hope that many of our members will plan to join me for the car show. The entry form is attached to the newsletter. Please remember to bring either cash or your checkbook to pay for your registration fee of \$25/car.

Please let me know if you are planning to participate. I will have a sign-up sheet at the March CCT meeting. I will need a head count for car show so that I can reserve spaces for us to be together. See flyer and entry form in this Newsletter.

Governor's Report. (Prepared by Paul Wolter)

This past month has not been good for most people throughout the world. Hopefully that you, your family, relatives and friends are, and continue to be in good health and have been sheltering in place as much as possible as directed by our government and local elected officials. We currently don't know anyone personally who has come down with the COVID-19, which is a good thing. However, health officials say it's going to get worse before it gets better, so stay safe and healthy. No doubt that many of us have been to COSTCO, Target or a supermarket and have seen the empty shelves which once contained toilet paper, hand towels, hand soap, disinfectants, meat products, etc. Out of curiosity I did a search on TP and it showed 85,000 TP sellers which was of no surprise!

NCCC has notified all NCCC regional governors that the St Louis County, where the quarterly NCCC meeting is being held, has issued a "stay at home" order and even if this is lifted prior to the May 2nd NCCC Governors meeting, it is highly unlikely that we would be allowed to host a meeting with our typical numbers in one room.

As the health and well-being of NCCC members is top priority, the May NCCC national Governors meeting has been cancelled. The national NCCC leaders made this decision not based on the evening news, but after careful consideration and following regional and national guidelines.

A friend passed along this information that was provided by a member of the Stamford Hospital board addressing the Corona virus:

The new Coronavirus may not show sign of infection for many days. How can one know if he/she is infected?

By the time they have fever and/or cough and go to the hospital, the lung is usually 50% Fibrosis and it's too late. Taiwan experts provide a simple self-check that we can do every morning.

Take a deep breath and hold your breath for more than 10 seconds.

If you complete it successfully without coughing, without discomfort, stiffness or tightness, etc., it proves there is no Fibrosis in the lungs, basically indicates no infection

In critical time, please self-check every morning in an environment with clean air.

Serious excellent advice by Japanese doctors treating COVID-19 cases:

Everyone should ensure:

— your mouth & throat are moist, never dry. Take a few sips of water every 15 minutes at least. Why? Even if the virus gets into your mouth, drinking water or other liquids will wash them down through your throat and into the stomach. Once there, your stomach acid will kill all the virus. If you don't drink enough water more regularly, the virus can enter your windpipe and into the lungs. That's very dangerous.

IMPORTANT ANNOUNCEMENT - CORONAVIRUS

1. If you have a runny nose and sputum, you have a common cold
2. Coronavirus pneumonia is a dry cough with no runny nose.
3. This new virus is not heat-resistant and will be killed by a temperature of just 79/80 degrees F. It hates the Sun.
4. If someone sneezes with it, it takes about 10 feet before it drops to the ground and is no longer airborne.
5. If it drops on a metal surface it will live for at least 12 hours - so if you come into contact with any metal surface - wash your hands as soon as you can with a bacterial soap.
6. On fabric it can survive for 6-12 hours. normal laundry detergent will kill it.
7. Drinking warm water is effective for all viruses. Try not to drink liquids with ice.
8. Wash your hands frequently as the virus can only live on your hands for 5-10 minutes, but - a lot can happen during that time - you can rub your eyes, pick your nose unwittingly and so on.
9. You should also gargle as a prevention. A simple solution of salt in warm water will suffice. 10. Can't emphasize enough - drink plenty of water!

THE SYMPTOMS

1. It will first infect the throat, so you'll have a sore throat lasting 3/4 days
2. The virus then blends into a nasal fluid that enters the trachea and then the lungs, causing pneumonia. This takes about 5/6 days further.
3. With the pneumonia comes high fever and difficulty in breathing.
4. The nasal congestion is not like the normal kind. You feel like you're drowning. It's imperative you then seek immediate attention.

I located this important information on youtube.com which provides a demonstration by a doctor on how to ensure food brought home from the grocery store and/or carry-out food services is virus-free/. <https://www.youtube.com/watch?v=sjDuwc9KBps>

SWR Annual Awards Banquet.

The SWR annual awards banquet recognizes NCCC SWR members for their accomplishments in 2019. The event was held March 7th at the Texas Motor Speedway Lone Star Tower Condo Club House. There were 73 members in attendance. There were a lot of door prizes awarded and I won a tee shirt. The first SWR governor's meeting was held the following morning. Nothing was publicly known at this time about the COVID threat. If this event would have been scheduled for the following weekend it would have been postponed until a later date.

All SWR weekend events for the next two months have been postponed. The SWR NCCC 2020 first choice weekend events, which tend to be mostly autocrosses that have been scheduled for 2020 are provided on the SWR website at <http://www.ncccsregion.org/schedule-2020.html> .

The Cowtown 2020 Event. (Prepared by Paul Wolter)

The annual Fort Worth 5k, 10k, full marathon and ultra marathon was held in the Fort Worth downtown area on February 28th and March 1st. Mayor Betsy Price announced on Saturday morning while daughter Robin and I were at the starting line to begin the adult 5k that there were 23,000 entrants present from all 50 states and a lot of foreign countries. One week later the Coronavirus outbreak in China hit the news. Now, I am wondering how many of the entrants were from China and New York that might have been infected with the virus and brought it to Northern Texas when they flew into DFW and stayed in Fort Worth and Dallas hotels.

I successfully completed the 5k by alternating between running 1 ½ to 2 blocks then and fast walking for the same length finishing in 47 minutes. Robin did it in less that 30 minutes, and then on Sunday she ran the complete full marathon. She then went home and took a nap, had a sports massage then slept for 12 hours.

Water bottles and a medallion are given to each entrant at the finish line upon completing the 5K. They also provided each participant a cool lightweight summer shirt, bananas, fruit cups, Snickers and M&M ice cream bars, beer, chips and other snacks. I have to say the ice cream bars sure tasted good after doing the 5k. Registration income earned from the annual Fort Worth weekend event is used to purchase and distribute new walking/running shoes to the local Tarrant County middle

and high school students. Robin, who is a coach at the Fort Worth Running Company participated earlier this year distributing hundreds of shoes at the various schools. She said that it was very rewarding.

Gill Children Thank You Card. (Prepared by Paul Wolter)

Several months ago Gill Children's office received and forwarded us a very nice "Thank You Card" from one of the families who were the recipients of Christmas gifts purchased, wrapped and given to the children which were adopted by several of our CCT members.
