Presidents Prerogative

Thanks and as always "*Save the Wave*"

Joe Carrion

CORVETTE CLUB OF TEXAS, INC.
NOVEMBER 19, 2004, MEMBERSHIP MEETING
FRIENDLY CHEVROLET, STEMMONS FREEWAY, DALLAS

The president, Joe Carrion, brought the meeting to order at 7:50 PM, November 19, 2004. Joe welcomed four visitors and one new member to the meeting.

The secretary read the November board minutes and they were approved as read. The minutes from the October membership meeting were approved as printed in the November newsletter. There was not an October board meeting.

The treasurer, Mitch Factor, gave the treasurer's report and said we made a nice profit from the Round Up Autocross this year.

The membership director, Mary Wolter, passed around a picture album showing the kids receiving gifts from CCT members at the Gill Children's Charities over the past several years. She said all 16 children from the Gill Children's Charities families we have for this year had been taken except one and Joe Carrion said he would take that one. She suggested having another raffle at the CCT Christmas party to benefit the Speedway Children's Charities. This was well received last year. She also thanked everyone for paying their dues early, which helped facilitate getting the dues into NCCC on time.

Paul Wolter reviewed the results of the Round Up autocross and reported that we had 40 entries and everyone received a Z06 clock if they entered all of the events. Comments from entrants were favorable about the track and awards. Paul suggested a one-day autocross next year instead of two days or we could have another club be responsible for the second day. Mary was in contact with Nelda Mitchell of Cowtown and Nelda asked if CCT would be interested in helping them on their next event at TMS and they would help us on our event because they are chasing points in NCCC and they get points for helping on other clubs' events. Paul said he would check out this proposition if the club wanted him to follow up. Everyone was agreeable.

Ben Loflin, Activities Director, was not present but Joe reported on the upcoming events and said we had eleven cars signed up for the Natchitoches trip December 10-12. Mary reminded everyone about the CCT Christmas party on December 4th and to bring their gifts for the Gill Children to the party. Mary also thanked everyone for helping to put the gift buckets together in June for the drivers at TMS and the Speedway Children's Charities, which raised \$455,000 for the charities.

The NCCC Governor, Joann Powdrill, reminded the club that we need to make sure everyone signs in on every event in order to get NCCC points and to be covered by NCCC insurance.

Joe Carrion opened the floor again for nominations for 2005 officers.

President: Mary Wolter nominated at October meeting and declined.
Bob Stephens nominated and declined.

Mitch Factor nominated and accepted

Vice President: Ken Bradley nominated at October meeting and declined.

Carol Factor nominated and accepted

Secretary: **Jeanette Bradley nominated and accepted**

Treasurer: **Mel Roggenbuck nominated at the October meeting and accepted.**

Paulette made a motion to elect the officers by acclamation. This was seconded and voted unanimously to accept and the officers as nominated: President—Mitch Factor; Vice President—Carol Factor; Secretary—Jeanette Bradley; Treasurer—Mel Roggenbuck.

Carol Factor announced the Allen Christmas parade Sunday, December 5, and had good response.

Jackie Arbogast held the monthly raffle of the gifts furnished by the club members.

Everyone was invited to caravan to Tony Roma's on Northwest Highway for dinner.

The meeting adjourned at 8:40 PM.

Respectfully submitted,
Jeanette Bradley, Secretary

GOVERNOR'S REPORT

Informative information provided by Joann Powdrill, Governor:

WHY NCCC?

The National Council of Corvette Clubs, Inc. (NCCC) was founded as an all volunteer, non-profit organization in 1959 by a small group of Corvette owners/enthusiasts!

The purpose of NCCC was (and still is) to promote interest in Corvette ownership and operation, to publish information on the use and operation of the Corvette and to establish an organized effort to encourage others to participate in the enjoyment connected with the use of the Corvette!

The Competition Program is administered at the National level. This is a major **BENEFIT** to Member Clubs. The purpose is to encourage interactivity between individual Clubs within NCCC. The largest single **BENEFIT** most obvious is the insurance program provided by K&K Insurance Company, which is a third party insurance; covering ALL MEETINGS, SOCIALS, CARAVANS, CAR SHOWS and COMPETITION EVENTS. Below is an abbreviated listing of the coverage under this policy:

"Products-Completed Operations Aggregate Limit"	\$1,000,000.00
"Personal and Advertising Injury Limit"	\$1,000,000.00
"Each Occurrence Limit"	\$1,000,000.00
"Fire Damage Limit" (any one fire)	\$ 300,000.00
"Medical Expense Limit" (any one person) (various locations)	\$ 5,000.00

COVERAGE	COMPOSITE RATE
Non-competitive Event Liability	Per Member
Rallye Event Liability	Per Event
Competitive Event Liability	Per Event

(This does not cover travel to and from supervised, insured, sponsored events)

Q. Are member clubs insured under the NCCC policy?
A. Yes. The NCCC policy provides a base limit of \$1,000,000 of liability coverage for all club sponsored activities including meetings, rallies, autocrosses, gymkhanas, slaloms, time trials and drag events.

Q. What about members of an NCCC club, are they covered?
A. Yes. Members that are in good standing of the insured club at the time of a sponsored event are insured under NCCC policy. Members include a "member's" spouse and family while accepted by the insured club as participants at event.

Q. If our club invites guests or Non-Members to a sponsored event, what coverages are afforded at this event?
A. The NCCC policy would be in full force for the sponsored event and provide coverage for the club and its members.

Non-Members brought into a claim as individuals would not have individual protection, thus would have to seek their own legal counsel.

Q. My club is having a caravan/tour or some other event that is not sanctioned. Is my NCCC policy providing coverage for these events?
A. The NCCC policy does protect you in these situations provided these events are sponsored and the event is a true club activity.

Q. Does the NCCC policy provide coverage for members while driving to and from club meetings?
A. This is not a covered event. Driving to and from meetings or whatever the event may be is the responsibility of the individual and his/her auto insurance.

Q. As a competitor of a Drag, Autocross or similar on-track event, is my Corvette covered for physical damage under the NCCC policy?
A. Simply No.

Q. I am frequently asked to sign a Waiver and Release form. What does this form do for us and why do we have to sign it at every event?
A. This form is the single most important document you have. The Release and Waiver of Liability, Assumption of Risk and Indemnity Agreement is the form that protects NCCC and its member clubs if an injured participant sues. This is referred to as Participant Legal Liability. All participants must sign a Hard Copy Release form at each event. A minor release form must be utilized for all participants under the age of 18. A Parent or Legal guardian must sign this form. Again a Hard copy must be used. A legal precedent has already been set in a large number of states in all types of courts where they have upheld the validity of the waiver in cases where the participant has sued the club host or promoter. Each time an individual signs a waiver, it increases the chance of the insured saving thousands of dollars in claims, keeping this critical coverage in place at an affordable price.

Q. I usually have my waiver form photo copied. Is this OK to do?
A. NO! If your club feels they do not have enough for an upcoming event, please contact K&K immediately for a supply you feel comfortable with. It is very important that each event have HARD COPY ORIGINAL RELEASE FORMS.

Q. As an active member of my club and a Director/Officer, what coverages are provided under the NCCC policy?
A. The NCCC policy provides protection for those individual members who are Directors, Officers or Stewards for any occurrence arising out of their official duties with regard to an insured event. Those members are indemnified against a claim made during the policy period and reported in writing to us alleging a breach of duty by reason of any error or omission as a result of an insured event.

Q. What is the age limit for a participant driver at an NCCC event?
A. A participant/driver taking part in an NCCC event must be (16) years old and have a valid drivers license. It is important that all minor participants have a current K&K "Minor Release and Waiver of Liability and Indemnity Agreement" signed by his/her parent(s).

**IF YOU HAVE QUESTIONS REGARDING THE NCCC INSURANCE PROGRAM,
PLEASE CONTACT K&K INSURANCE GROUP MOTORSPORTS DIVISIONS**

Things to Do!!

If you missed it!

2004 Christmas Party

Paul and Mary Wolter once again hosted The Club's annual Christmas Party at the TMS Club House. About thirty or so members joined in the fun and festivities. As usual, the highlight of the evening was all the delightful foods brought by our very own gourmets. Not to mention the smoked turkey and ham!

Phil and Lynne Schilt managed to bring the raucous crowd under control long enough to insure organized mayhem with the Chinese Gift Exchange. Job well done!

Paul opining, Mary presenting, Ken accepting...Board service awards

Bob doin' the Turkey?

Who moved Carl's cheese? Come on Jackie!

Mississippi mud, I presume? Hold on with both hands!

I'm not going to tell you again,
Get the Hand outta the Bowl!

I got no words for this...

Allen Christmas Parade

About 10 of us showed up to support and drive in the Allen Christmas Festival parade, December 5th. This was the second year CCT has been asked to participate. Shortly after staging, it started to drizzle (again). So the convertibles couldn't put their tops down. I think the parade last year was over in maybe 30 minutes, but this year, it stretched out for a couple of miles and took ninety minutes to wrap up. Good job Allen!

Last year, Jim Adams drove the parade's Grand Marshal in his 2001. And this year, Jim was lucky enough to do so again. So who was the Grand Marshal? None other than Allen's own, Carly Patterson. You remember her? She won Gold at the summer Olympics in Athens in gymnastics, including Overall best. What's more, I got her to autograph a 'collector's' Wheaties box.

She says she had just gotten her driver's license. I asked if she was driving yet, and what she was driving. She's waiting for a new Mustang GT ("...silver, a wing on the back and a fast engine..."). Ford should deliver in the next couple of weeks. I asked why she didn't get a Corvette? "Cause I got a deal with Ford..."

Sorry, don't have any pictures to publish.

It is my intent to publish the Newsletter every month. I will try to have a Web version ready for publication by the end of the first week of each month. In order to meet my own expectations, here's what I need from you.

Each chairperson (Activities, Charity, any officer or other wanting to have something published) should have newsletter articles ready by the fifth workday of each new month.

Anybody can submit articles for publication. I will not edit for grammar, word choice, punctuation or other stuff I know nothing about. I might simply decide something warrants additional commentary, or needs to be shortened (I can't imagine lengthened). Otherwise it will be included in the publication as received.

Articles should be in Microsoft Word format. If you have photos, they should be digital and in JPG format. All articles, files, photos, etc, should be sent to the editor via e-mail as an attachment. Call me if you have questions.

Due to costs of printing and mailing, complete printed versions of the Newsletter have not been distributed. Some people will have not received prior issues. We are exploring less costly alternatives.
